1) Review of one point of the last AGM (Europe and World)

Explanation again:

what meant membership and country fee from a country:

- |   |
|---|
| <ul style="list-style-type: none"><li>a) promote national championships (there have to vote WUAP referees)</li><li>b) they have a vote at the AGM</li><li>c) they can give a bid for big international championships (Europeans, Worlds, Worldcup)</li><li>d) they are allowed to bring in „rule changes“</li></ul> |
|---|

because of incidents of membership fee there was a decision to require no fee starting from **2011**. In place of incomes from the membership fee a fee must be paid from 5 Euro per lifter (with European championship, World championship and Worldcup and not for other championships). The fee is going to the United Powerlifter / WUAP account. Thus general expenditures of the federation are paid. The entry fee per lifter increases for those championships thereby 5 Euro. (starting from **2011**).

This is valid for countries from United Powerlifter of Europe.

With the representatives of the USA a direct accounting was negotiated.

2) Schedules competitions of several days (Worlds, Europeans, Worldcup) have to be send to the administration of the WUAP/United Powerlifter before they are made public. On once fixed schedule is to be held. Athletes take long journey times with airplane and car on itself. Changes with hotel reservations is not to accomplish easy or even impossible. For many people it is not possible to change the day of holiday at short notice

3) Confirming competitions from 2011 and 2012:  
Europeans 2011 – Poland, Rybnik, June 1.- 5.  
Worlds 2011 – USA, Georgia, Atlanta, End of Sept.  
Worldcup 2011 – Hungary, Town not fixed, yet (November)  
Worlds 2012 – Germany, Herzberg

4) Bids for the  
Europeans 2012 (one kandidat – Slovakia)  
Worldcup 2012  
are welcome.
